

Cheyenne Heritage Quilters

Patchwork Update

October 2019

Dedicated to encouraging and broadening quilter's creativity, sharing quilting knowledge, exhibiting quilting accomplishments and contributing to the community.

Note from the President

Our Opportunity Quilt drawing was held, and the winner was Steve Parker! I believe this Opportunity Quilt was one of the top selling quilts CHQ has ever done.

A very big thank you to the Quilt Mom, Char Nolan, who spent many hours sitting at quilt shows and the fair to sell tickets. Char sat at the Torrington Quilt Show in Ft. Laramie for 3 days and sold \$480 worth of tickets. In 3 days at this show she sold almost as many tickets as was sold in 10 days at the Laramie County fair.

I know many of you donated your time and sold tickets at the Fair. Thank you. New this year, Char also took the quilt to the Covered Wagon Quilt Store in Torrington, who sold tickets for us. The quilt was also at Blakeman's, Around the Block, Quilt Essentials in Laramie and the Wyoming State Quilt Show. Thank you to Barb Carly who donated the background quilt top on behalf of her niece, Jamie and for arranging for Jamie's son, Brandon, to draw the winning ticket. Thank you to Deb Przymus for obtaining permission to use the Steam Willie logo and quilting the quilt. Also, to Deb O'Grady and Deb Przymus for doing the binding on the quilt.

After the expenses for the quilt, which includes batting, quilting, backing, ticket printing, mailing, etc., the profit on this quilt is more than \$2500.

On a different note, I am compelled to mention that we need to have more volunteers from the group for Officers and Committees next year. Our bylaws indicate that we should have an election in September but without names on the ballot, there was no point in having an election. **Critical positions need to be filled if the group is going to continue next year.** For one, we need someone willing to be the VP in charge of Programs. Please contact me if you are willing to volunteer or have other suggestions.

Sue Frerich demo: machine appliqué techniques.

1. Fuse it down. Use a blind hem, buttonhole, or zig zag stitch on the raw edge. Want a good bite into the fabric. Likely to fray when washed.
2. Appliqué Fiber. Trace, cut, then use a glue stick! Cut out with a 1/4 or 3/16" allowance. Clip any concave or convex curves. Glue the allowance and bring to wrong side. Best to use a tool and not your fingers. Cleaner edge. Then press. Best to use an appliqué Teflon pressing sheet. Can then sew onto your background material. Sue uses a monofilament on the top, and a matching thread for the bobbin. If all else fails, can use sharpies or fabric pens to color any exposed thread. Appliqué Fiber doesn't wash out but does become very soft.
3. Appliqué Paper. Much like appliqué fiber, but does have a little adhesive on it already, so can use less glue.

HOT TIP: Judy Gilmore: iron freezer paper to your ironing board. If it gets adhesive - of any kind - on it, just remove and replace!

Dear Quinella:

How to wash quilts?

Barb Gorges wrote the book.

Cathy: or just wash it. Vacuum the small wall hangings, as usually embellished. Others recommended using "Retayne" and/or color catcher sheets. Also, if still bleeds, hydrogen peroxide and put out in the sun. You could also soak in salt water, or use Orvis detergent.

Basement storage cleanup day.

Cathy James, Donna Dolan, Mona Weeks, Linda Brunner, Bea Dersham & Joy Mockelmann.

Thank you for participating in the basement cleanup. We found CHQ's traveling trunk show quilts. It was decided to dismantle this trunk of quilts. Bea has offered to contact the people who made the quilts and find out how to dispose of them.

We also came across the "old" sound system that the club owned. We may have found a new home for it. If you have any objections to us donating it, please voice your concerns at the next meeting.

We also have all the old quilt stands – any idea on what to do with them?

Donna & Joy worked on the fabric stash – 5 boxes of fabric were donated to the Church garage sale, 2 boxes were used for dog beds, various small pieces and non-cotton fabrics were donated to other members.

At the end of a few hours the basement looked pretty good. Please if you use something from the basement return it to the appropriate space.

Thanks.
