Patchwork Update

January 2021

Dedicated to encouraging and broadening quilter's creativity, sharing quilting knowledge, exhibiting quilting accomplishments and contributing to the community.

Dear Members,

2020 is just about to wind up. In one way or another, it has been a very trying time! I want to thank all of you for the support you have given me and the Board. It has certainly been an interesting year! Hopefully, it will get better!

We had a Board meeting and decided that we will have one Guild meeting a month. Once a quarter, we will have a Saturday activity. Community Quilts will meet 1 day a month. Donna has offered her house for those interested. I know that we have provided a lot of quilts to many different organizations.

The Quilt Show is being planned. It will be held Thursday, Aug. 12, 3-7, Friday Aug. 13, 10 -6, and Saturday, Aug. 14, 10-4. Cynthia is still planning on being the Chairman and has a lot of the planning done. The Opportunity quilt is ready to go but needs a quilt Mom, and the Boutique needs a chairman. Remember, these jobs can be shared by 3 or 4. Of course, this depends on the COVID-19 situation.

The new membership year begins January, 2021. Please get your dues in ASAP. We did donate \$200 to Magic City. We usually do a tree for their auction but decided to donate cash instead. Currently, the Church is closed to meetings, so we will have to let you know when the first meeting will be.

Hope you all have a Very Merry Christmas and a Happy New Year! Keep safe and hopefully we can meet again soon!

Virtual Show and Tell

Angela McPherson made this quilt called "Counting Stars" from Cozy Quilts for her cousin who was in a bad accident on Thanksgiving Day.

Daenette More crocheted her own popcorn string to put on her quilting tree.

Linda Brunner has been busy. The first quilt was a free pattern from Moda last Christmas. Such holiday spirit!!! The second is a wall quilt that Linda made for a Veteran who asked for one after he was awarded a Quilt of Valor (QOV).

Sue Frerich has also been busy. The Tiger is paper pieced from a book called, *Animal Quilts*, by Juliet van der Heijden. Some pieces were only 1/16" wide.

Sue Frerich also pieced this African beauty. The pattern is called Spectacular Savanna from Elizabeth Hartman.

Lastly Sue Frerich wanted to share her first attempt to a fractured quilt. She said she learned a ton and could do a much better job if she tries again. If you have attempted this type of quilt I'm sure Sue and other members would love some tips. Just e-mail quilterfriends307@yahoo.com to enter tips and tricks in the CHQ Newsletter.

Helen Jarvis and I are trying to look at fabric before our daily walk with our dogs and neighbors. I have been negligent in making Community quilts, I'll do bindings but not the tops. Is there anyone else out there like me? How about we all challenge ourselves to each make a finished quilt or top for Community quilts? The sizes could be for a baby, crib size, throw, twin bed or larger. For larger quilts there are member who have long-arms. Donna Dolan thought it was a good way to increase the numbers of quilts we give away to those in need. Merry Christmas and Happy New Year. Jo Ellen Mas

CHQ Quilting Tips

Quick Quilting tips from the Newsletter Editor:

- ✧ Use Pipe cleaners to clean your sewing machine
- ✧ If you have a single hole needle plate use it for piecing to prevent your fabric from getting sucked into the feed dogs.
- ✧ Did you know you can use your walking foot to piece. I use mine all the time.

Debbie Baldwin has a wonderful tip for quilters who buy large bolts of batting.

"I was looking at videos on You Tube and came across this storage idea for quilt batting.

Last year, I was helping a gentleman dispose of his wife's sewing things. One of my purchases was a new roll of batting in a sealed box. It's rather cumbersome to pull out and put back in.

The video I watched showed dismantling an office chair and using the base for wheeled storage of the roll of batting.

I looked at Facebook Marketplace and found a business that was closing. Rather than chairs, they had footstools. Two for \$10.00. Can't beat that. I bought both, one for my knitting machines and one for the batting holder.

Turn the chair over and remove the clip. That is holding the seat onto the chair. You slide the seat off, wipe it down and the cardboard tube inside the batting fits the chair base perfectly. Cover the roll with plastic to keep the dust off. It will roll easily to wherever you need."
