*Dedicated to encouraging and broadening quilter's creativity, sharing quilting knowledge, exhibiting quilting accomplishments and contributing to the community.*

Visit us online at [chquilters.org](http://chquilters.org) or on Facebook: [Cheyenne Heritage Quilters](https://www.facebook.com/CheyenneHeritageQuilters)

*Dear Members,*

Here we are, the end of September already. I am busy trying to get my plants covered so they survive the blast of fall!

We need to elect new officers. The positions are President, Secretary, and Treasurer. Debbie Baldwin has one more year as Vice President. She has done an excellent job finding programs for us and has next year pretty much filled.

We will be decorating a Christmas tree for Magic City. This is a big fundraiser for them. Our theme will be Cowboys and Angels with brown and gold colors. The more; people making ornaments the better!

We are already planning the Christmas party. Please let us know if you would be interested in a potluck dinner that evening. It is always fun to share a meal.

We are not requiring masks at our meetings but, if you are more comfortable, please wear one. Let's try to keep all of our members healthy!

Dates to remember:

- Oct. 4 Cindy Paul and Jean Corber Trunk Show
- Oct 18 Board Meeting 7 pm in the Conference room at the church
- Oct. 20 Community quilts at the library from 10:00 a.m. - 3:30 p.m. They need sewers, pressers, and cutters. All are welcome.
- Oct. 5, 12, 19, 26 Open sew on the 3rd floor of the library from 10:00 a.m. – 3 p.m. Bring whatever you are working on and your lunch. Great time for chatting. All are welcome!

Hope to see you all. Remember, if you do not feel well, stay home, wash your hands often, and social distance. Masks are not mandatory, but they will keep us safe!

*Deb O'Grady*

Past and Present President

## IT'S ELECTION TIME

New officers are to be elected to take office on January 1, 2022. Positions for election are President, Secretary, and Treasurer. Please see the Bylaws under "Forms and Info" at the bottom of the website (<http://chquilters.org/>) for duty descriptions for these positions. While there, please also note the list of Additional Board Member titles and duties. Should any of those interest you, or should you have any questions, please contact President Deb O'Grady. Also, feel free to visit with the member currently holding the position that has caught your attention for detailed information from an experienced volunteer. The Newsletter Editor, Webpage, and Facebook Administrator positions have already been filled for next year. Step up and serve to continue this organization into the next year!

### JINGLE BELL JINGLE BELL, IT'S ORNAMENT MAKING TIME AGAIN!

#### Cowboys and Angels

Once again, CHQ will be sponsoring a Christmas tree for the Magic City Enterprises' Festival of Trees fundraiser. This corporation provides support to people with intellectual and developmental disabilities. Your board members served as the initial committee and agreed upon the theme of "Cowboys and Angels" with a color theme of Wyoming **BROWN** and **GOLD**. The tree will be six to seven foot tall, bearing a crocheted angel tree topper donated by Donna D. and Judy G. has volunteered to do some special gold bead work. Coordinator, Carole G. will be circulating a signup sheet at our October 4, 2021 meeting for 6 volunteers to physically decorate the tree on a date yet to be determined. There is a need for 200 handmade ornaments to fill our tree.

In 2019, the CHQ tree drew the largest bid of the evening bringing in \$1,000 for our charity. Let's try to make that happen once again! Your brown and gold cowboy or angel themed ornaments may be brought to the November 1, 2021 meeting or delivered to Carol G. at her residence (address listed in your membership roster) OR to Cynthia H. at her place of business Crazy Motor Sports 2118 E Lincoln Way (open M-W 2:00-6:00 p.m. or Saturdays 10:00 a.m. – 2:00 p.m.). The deadline for ornament delivery is **Wednesday, November 24, 2021**. Please ensure that your ornaments have a hanging loop no greater than 1 inch in length, thus making the drop 1½". This request is due to the mandate that all ornaments be wired to the tree for secure mobility when being delivered to the bidding winner.

## CHQ Library

Your CHQ library has **15** new Quilting mystery novels. Thank you, Donna Dolan and Sue Frerich, for your donations.

Also available are pattern books for your fall and Christmas quilts. Library is available at 6:30 pm before the meeting. Come early and check out your CHQ library.

## Free Motion Quilting (FMQ) with Embroidery

By Penny Olive

### Tips and Tricks

#### Marking:

Penny recommended using any blue line water soluble marker for marking her quilts. However, if the blue marks don't disappear with water, you can use the [Blue Line Marker Be Gone](#) recipe (which she found on the internet) ... 1 cup of water, 1 teaspoon of baking soda mixed in a spray bottle and the marks will disappear like the ghost in your attic.

#### Batting:

Penny recommend using wool batting and even doubling it to get the dazzling puffy technique and make your embroidery design pop out as your FMQ will retract to the background. Penny recommends not to iron the quilt if you are using wool batting.

#### Embroidery Designs:

Penny uses the Embroidery Library because not only are they beautiful, but they often go on sale. [\(Machine Embroidery Designs at Embroidery Library! - Embroidery Library \(emblibrary.com\)\).](#) Simple embroidery and background stitching makes beautiful wall quilts.

#### Thread:

Penny recommends using a 60-weight thread or higher to allow the FMQ to sink in the quilt. She uses the Superior Thread since she finds it readily available at the Sewing Center of Cheyenne.

#### FMQ and Rulers

Penny recommends using simple straight lines either by using markings from a fabric pen and a ruler or using the Line Tamer ruler. Then you can stitch a few feathers or large/more difficult designs and surround them with simple FMQ or scribbling the background to pop the embroidery design out. Starting in the center and quilting out to the edges will prevent creases or folds. You can also echo around your embroidery design or other FMQ designs you create. No matter what you chose to do Penny encourages quilters to give it a try. Your favorite technique will appear with practice.

#### Finishing the Wall Quilt with Sleeves:

We learned that Penny did not enjoy hand stitching sleeves on the back of her wall art quilts. So, she got creative and bought the Elmer's Clear Washable glue and glues the sleeve on the back. Now if you wash the wall quilt (which she does not recommend) then the sleeves may fall off, but you can always readd them with a little more glue or use a fabric glue for a more permanent solution. Start adding sleeves and labels to your quilts to be Quilt Show ready.

Penny, thank you for taking time out of your day to inspire the CHQ Members to start FMQ on small projects. Your work is amazing.

Penny teaches classes at the Sewing Center of Cheyenne. See the advertisement page for their link and join other CHQ members by taking some of Penny's classes.

# Show and Tell

Register your show and tell quilt at the welcome desk before the meeting starts.

Above: Gale D. made a vintage Bonnet Girl and Straw-Hat Boy quilt and had used crayons to add color to the children. Her second quilt was paper pieced together. Gale doesn't get out a lot so if you ever want to visit her just look her up and give her a call. She'd love the company.

Left: Marie H. made two wonderful table runners. Yes, she lives in Colorado, but she likes being part of CHQ here in Wyoming. She also made a fun and colorful square quilt that was appliqued on top. These were Round Tuit projects. Way to go Marie!!!

# Show and Tell

## Continued

Right: Daenette M. showcased her pineapple twist quilt which will make a perfect baby quilt. She also showed a curve quilt and a QAYG Miss Daisey quilt which she has taught both quilts in a class.

Below: Robbin F. models her quilt. Way to show off your quilt and beautiful smile.

Left and below: Angela M. finally finished one of her Round Tuit quilts called "Hash Browns". Her daughter Alex has already claimed the quilt. She used her embroidery machine for the big squares and used rulers to quilt it.

Above and left: Cynthia always presents beautiful quilts. The two above are baby quilts for her friend's babies and the beautiful fall quilt was a mystery quilt.

## Pick-a-Pocket Denim Challenge - 2022

### November 1st meeting - Calling any denim collectors!

The Challenge Committee is hosting a **Denim Swap** during the Nov 1st meeting. We invite you to bring denim you'd like to share with others to help us with this swap. We will set up tables in the back of the room, for you to display what you have to share, (just like we do the opportunity table). We ask only that you take home anything you brought that doesn't get picked up.

Feel free to join the **Pick-a-Pocket Denim Challenge** that night for **\$10** and gather some denim to help you complete your own challenge quilt. I plan to bring front and back pockets to share, as well as some pairs of jeans, and JoEllen has a stash of denim to share as well. If you have denim yardage you want to share, that is great. And if you have colors of denim, bring those as well. Thank for helping us encourage creativity in this year's challenge.

Can't wait to see what you have hidden away in your fabric collections.

# CHQ Quilting Tips

## Quick Quilting tips from the Newsletter Editor:

### Preparing for a Class

- Ensure you have a supply list and request any information from the instructor if needed. If you haven't heard from the instructor or the point of contact... reach out. Life can get busy at times so sometimes you may need to just reach out if you need more information or the supply list.
- Ensure you bring an extension cord (you never know who has one and who doesn't).
- Clean your machine before class, put in a new needle, pre-wind two to three bobbins, do your homework (what the instructor requests you to do)
- Try not to jump ahead. BUT if you have the pattern or resources, you can then read/watch them before the class. I don't know about you but that helps my anxiety a little but don't assume you know the instructions the teacher will give so don't jump ahead.
- Get a good night of sleep, take inventory the day before of your supplies, show up early to set up, and enjoy your class! Don't forget to bring your project in at the next CHQ meeting for show and tell!!!

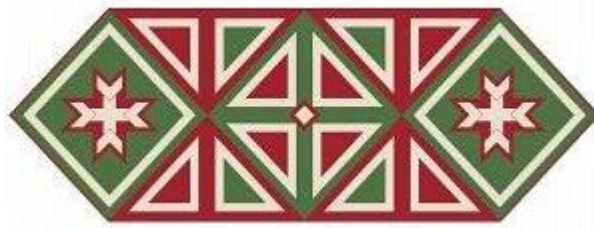

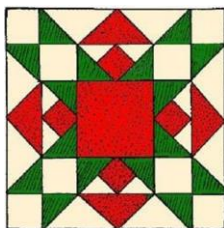

## Ugly Fat Quarter Christmas Exchange Challenge

We had **26** members step up to participate in our fun-filled Ugly Fat Quarter

Christmas exchange challenge project. Each fat quarter was placed in a numbered bag along with a notion. We tracked the numbered bags by the donor quilters name. Bags were drawn at the July meeting where we tracked which numbered bag the quilter drew to ensure that they did not draw their own. **Members participating are required to make a project**, be it a table runner, a table topper, a bag/purse, a lap quilt, a wall hanging, a scissor case, a mug rug, or whatever. **The majority of the fat quarter and the notion must be used in the final project.**

Keep your project confidential for the final reveal. Finished projects are to be wrapped, the number from the bag added as a gift tag, and brought to the December 6, 2021, meeting where we reveal the last "fun factor" to this challenge.
